This concert features original music inspired by my travels this year in India, Kenya, Jordan, Croatia, Portugal, and France, as well as newer music since my return to San Diego. The concert is dedicated to the memory of multi-instrumentalist and composer Sam Rivers on the occasion of the centennial of his birth. Sam Rivers was a Regents Lecturer at UC San Diego in 2003.

Audience members are reminded to please silence all phones and noise-generating devices before the performance. As a matter of courtesy and copyright law, no unauthorized recording or photography is allowed in the hall.

UC San Diego is a non-smoking campus.
